

Hello Jeffco Families,

In an effort to minimize the amount of drivers needed at some schools, some routes have been combined. This allows us extra relief drivers, during an extreme driver shortage, which can improve our ability to sustain operations while responding to virus spread and quarantines. Below is a copy of the new bus schedule effective Monday Jan. 25th, 2021. Not all, but many route numbers and p/u and d/o times have changed. This may result in a slightly longer bus ride for your students. Please feel free to give us a call if you have any questions.
